

# 4-STAR AIRPORT CERTIFICATION

This Certifies that Seattle-Tacoma International Airport has been successfully Certified as a **4-Star Airport** under the World Airport Audit analysis of product and service standards, in accordance with **Skytrax Ratings** protocols.

The 4-Star Airport Rating is a prestigious and unique mark of Quality Achievement and a global benchmark of Airport Excellence, that recognises airports which are providing good standards of facilities and staff service to customers across all front-line areas of the airport environment.

**Date of issue:** 28<sup>th</sup> January 2022
